Dear Mr. Purello:

I was happy to see that you have earned recognition as a Treasure Coast Health Care Champion. Your selection from hundreds of nominees certifies that you have made a significant and positive impact on improving the quality of health care in our Treasure Coast communities.

As a former health care professional, I can appreciate the commitment, hard work and dedication that have earned you this prestigious distinction. By striving for the best and refusing to compromise, you have demonstrated your empathy for patients and your willingness to turn commitment into reality.

With today's unfortunate emphasis on tearing down those who serve their communities, it is refreshing and noteworthy that Scripps Treasure Coast Newspapers has teamed with Seacoast National Bank for the Health Care Champions recognition program.

Most importantly, our communities are immeasurably enhanced by your important achievements.

Please accept my congratulations, and thank you for such dedicated service to your community.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ken J. Mascara".
